The most effective way to get rid of those nasty odors in the air.

Sani-Zone™ spray effectively removes odors without masking by chemically combining with them. One or two sprays in an average size room eliminates odors and leaves a squeaky clean fragrance that lasts for hours.

The perfect solution for Ostomy patients.

Just 5 drops in an Ostomy Appliance eliminates foul smells for hours. Sani-Zone™ Ostomy Appliance Deodorant is available in a 2 oz and 8 oz dropper bottle with a convenient flip-up spout.
